

Solving College Costs to the Highest Degree.

FOR IMMEDIATE RELEASE:

College Financing Group, LLC launches co-branded Financial Literacy website

Surveys reveal that Americans consider financial literacy as important as any subjects traditionally taught in schools. To help students of all ages learn the essentials of personal finance, College Financing Group has partnered with Visa (Practical Money Skills) to offer a co-branded financial literacy website www.collegefinancinggroup.practicalmoneyskills.com.

Practical Money Skills for Life is educator-developed and educator-approved, and the program reaches millions of students across the nation. At Practical Money Skills website, educators, parents, and students can access free educational resources including personal finance articles, games, lesson plans, and more.

About College Financing Group:

College Financing Group will explain and assist college bound families with every aspect of the financial aid process, including the many financing options available.

Andy Leardini has over 11 years of educational lending and consumer lending banking experience. Andy is well-known in the financial aid community for his high level of service and lending knowledge. His experience includes working for a national student loan servicer at Nelnet and serving many years as a Financial Aid Client Relationship Manager for M&T Bank.

Rick Ross has over 25 years of financial aid and educational lending experience. Previously, Rick worked as the Educational Lending Director of Client Relations and Educational Lending Account Manager for two Fortune 500 banks. He also worked as the Assistant Financial Aid Director at Erie Community College.
